## Driving directions to Sayulita

If you rent a car follow the signs to Tepic and Compostela. Turn left off Highway 200 at the 3KM sign to Sayulita. The intersection has just been completed; there is a left turn lane to Sayulita. Stay to the right at the first bridge (approximately 1/4 mile) and follow the road until you reach the main plaza. Casa Jacobo is south of the plaza. Veer slightly left after the town square, take the first right onto Calle Heroes Niños after Bungalows Jaqueline, and take the second left on Primavera (there is a sign advertising AA meetings). Primavera becomes Naranjito where the road turns right.

### **Casa de Ensueño**

Casa de Ensueño is the fourth property on the left (25 Naranjito). Casita #2 and #4 are on the right; #1, #3 and #5 are up the walk on the left. The casa is up the stairs past #3.

### **Casa Jacobo**

Casa Jacobo is the last property on the right (50 Naranjito). Casita #1 is through the gate on the right; Casita #2 is through the gate at the left. The entrance to the casa is from the street. There is parking on the road in front of Casa Jacobo where the road ends.
